

When does the
impossible
become
possible?

When the heart of a
man or a woman is
full of joy

when a smile
is on his or
her face

when his or her
satisfaction
comes from
knowing that
he or she is
good in his or
her heart

when he or she
sees his or her
limitless potential
to be himself or
herself

when he or she
shows tolerance
to his or her
friends, his or her
neighbors, his or
her acquaintances,
and even his or
her enemies

when feminists
stop being so
darned militant
about grammar
